TO-DAY'S BEAUTY HINT

It is not necessary to shampoo quite so frequently if your hair is properly cleansed each time by use of a really good shampoo. The casiest to use and quickest drying shampoo that we can recommend to our readers may be prepared very cheaply by dissolving a teaspoonful of canthrox, obtained from your druggist, in a cup of hot water. This rubbed into the scaip creates a thick rather, soothing and cooling in its action, as well as beneficial to scalp and hair. After rinsing the scalp is fresh and clean, while the hair dries quickly and evenly, developing a bright lustre and a soft fluffiness that makes it seem very heavy.—Advt.

Remember that your health is your most valuable possession. Ill-health, apart from the misery it causes, deprives you of your rightful enjoyment and handicaps you in your daily duties. But good health--glorious, glowing health-can be yours if you take Wincarnis. Because it possesses a four-fold power in cre-

ating the health you need. Wincarnis is a tonic, a restorative, a blood-builder and a nerve food—all in one. Therefore it promotes new strength, new blood, new nerve force and new vitality. That is why over 10,000 doctors recommend Wincarnis. And it is also the reason why you can

take Wincarnis with the certain knowledge that it can give you new health.

Wincarnis is pleasant to take, easy to digest and as delicious as the finest beverage. It contains no drugs, its formula is not concealed. Wincarnis consists of but three ingredients—recommended by the medical profes-sion for many years, vis: beef, from prize cattle of English breed, malt, from choice ripe grains, and a specially selected tonic wine, the three combined by a he process which greatly enhances their individual health giving properties.

Wincarnis has been famous in Europe for a third of a century. Thousands have testified that it has restored them to health and strength. Don't confuse it with the many inferior preparations of apparently similar nature; buy Wincarnis itself, the tonic that has been unsuccessfully imitated for 33 years.
